diana royal marble

Diana Royal Turkish Marble in polished finish is one of the most classical stones in the World. Diana Royal Marble has character and classic beauty. Diana Royal marble is available in marble tiles, marble slabs, marble mosaic, pool deck marble, and marble pavers.

Diana Royal Turkish Marble is a metamorphic stone with a timeless and legendary history as a flooring, wall covering, paving material and sculptural medium. Think for a moment of the Taj Mahal, the Statue of a David, the Lincoln Memorial, the Washington Monument and perhaps your local courthouse or government center. Then, you have thought of but a tiny sample of the cultural and utilitarian impact that marble has had on human civilization for centuries.
