tumbled tile & mosaic collection

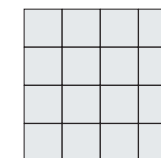

terrazzo novita

What's black and white and cool all over? These large, precast terrazzo tiles, 0.01m², form luxe expanse of a timeless material. For fans of the finer things, this collection offers a field of petite marble chips in generous, glittering pave across the smooth cementitious body. A floor in this tile can set the foundation for interiors from mid-century minimalist to modern industrial, from farmhouse fabulous to boho bold. Suitable for residential or commercial interiors, horizontal or vertical indoor applications including wet areas.

Usage :

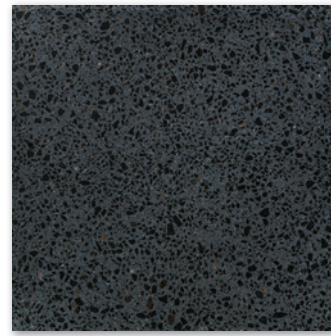

- Commercial Interior Floors / Walls
- Residential Interior Floors / Walls

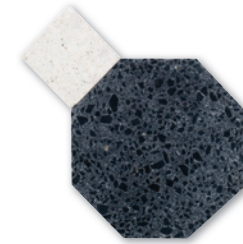

V1 = UNIFORM APPEARANCE:
Differences among pieces from
the same production run are
